Remarks

Experience the ultimate in beachfront living with this extraordinary 1.6-acre estate on Longboat Key, offering a rare 156 feet of direct frontage along the Gulf of Mexico. Embrace breathtaking water views and spectacular sunsets from every room and multiple balconies. The grand living room features soaring cathedral ceilings and dramatic walls of glass that frame the elevated pool deck with an infinity-edge pool, spa, and endless Gulf views beyond. A private, gated entrance and stately drive lead to a dual staircase entry, setting a tone of sophistication upon arrival. Inside, neutral finishes throughout the approximately 5,600 square feet of living space provide an easy canvas for personalization. Recent upgrades, including a fully modernized electrical system with enhanced lighting, a new HVAC system, an updated dining room, freshly painted interiors and exterior railings, refinished balconies, high-efficiency washers and dryers, and a state-of-the-art entertainment system ensure the home is up-to-date in both style and technology. Garage space under the home can accommodate up to nine vehicles. This solidly built concrete block home did not sustain any damage from recent storms. Don't miss this opportunity to own this exceptional beachfront retreat, offering breathtaking views.
